

Mezinárodní exkurze pro zájemce o biologii

Autor: Eva Hodboďová

Zveřejněno: 26. 01. 2024

V4 Gen Biology Excursions for students

Are you...

...a student in 3th to 4th grade of high school
or 1th-2nd grade at university in Czechia, Slovakia,
Hungary or Poland?

... passionately interested in biology, ecology,
organisms & nature protection?

... craving for new exciting experience, adventure,
travel & new international friendships?

... a participant / former participant / friend
of the Biology Olympiad?

Join the Excursions!

Where and when?

27. 4. - 1. 5. - Czechia
3. - 8. 5. - Hungary
17. - 22. 5. - Poland

What will be on?

Field excursions & lectures
on biodiversity, organisms,
nature protection & ecosystems.

Price: 100 € / 1 excursion

Food, accomodation & transportation
within the excursion are covered.

Excursions are organized by the Czech
Biology Olympiad based at the Faculty
of Science, Charles University, Prague,
together with the Biology Olympiads
in Poland, Hungary, and Slovakia.
Organization is supported by the
Visegrad Fund V4 Gen Mini Grant.

Are you
interested?

supported by
• Visegrad Fund

FACULTY OF SCIENCE
Charles University

ročníků středních škol, příp. studentům 1. a 2. ročníků vysokých škol, kteří mají hlubší zájem o biologii možnost účasti v exkurzích po zemích Visegrádu.

Vzhledem k tomu, že se jedná o mezinárodní exkurze, bude výhodou, když budou studenti ovládat alespoň základy angličtiny. Více informací o exkurzích se dozvíte zde <http://tinyurl.com/VisegradExkurze>.

Deadline pro podávání přihlášek na exkurze je 18. února 2024.

Letáky na exkurze naleznete v příloze.
